Hey guys,

I plan on being in madison by 6pm tonight. I'd like to meet with everyone available about our response to the situation with 128 funds. If you're available, please let me know. Can someone not at work who knows about the situation please email a summary to the CC, SC, and SSFC listservs asap? If you're not a member of one of those listservs, feel free to forward the summary to me and I'll pass it on.

All persons are invited and welcome to attend this discussion.

Thanks,
Tyler

I am out of town this evening.

However, I would like to know what is happening with the 128 fund. Please send abstract or short update on what is going on.

Thanks!

I'll be at the meeting Tyler. I will also try and put something together to send to the list serves. I know I don't have access to anything but 16th session, so I'll just send something to you.

Thanks
